1. Short title and Commencement of Rules:

These rules shall be known as "The Rules for the award of stipend to the Part Time Volunteers belonging to Andaman & Nicobar Islands for undergoing training in Artificial Insemination and Castration within the UT of Andaman & Nicobar Islands". This will come into force with effect from the date of the approval by the competent authority.

2. Definition:

In these Rules unless the context otherwise requires:
- "Every" means a form prescribed for applying for the training courses and for grant of stipend thereon;
- "Rules" means the rules framed for this specific purpose;
- "Register" means a register to be maintained by Senior Veterinary Officer indicating the name and details of trainees and register maintained for payment of stipend.

3. Procedure for selection of beneficiaries:

The beneficiaries will be selected by a Selection Committee consisting of the following members:

(a) For Non-Tribal Farmers
1. Pradhan of Gram Panchayat
2. Up Pradhan of Gram Panchayat concerned
3. Panchayat Secretary concerned
4. Senior Veterinary Officer concerned

(b) For Tribal Farmers
1. Captain of the concerned village
2. Second Captain of the concerned village
3. Tribal Council Secretary of the area
4. Senior Veterinary Officer concerned

The following procedure will be observed for the selection of suitable candidates for training in Artificial Insemination and Castration.

The Pradhan of the concerned Panchayat will call for a meeting of the Gram Sabha. The Senior Veterinary Officer concerned through the Pradhan will explain to the villagers about the objective and purpose of the Artificial Insemination and Castration Programme and then call for applications from those who are interested to undergo the training course. Application shall be made on a plain paper/prescribed form along with certified copy of School Leaving Certificate obtained from the Head of the Institution where he/she last attended and shall be addressed to the Pradhan of concerned Gram Panchayat.

The applications will be scrutinized by the Panchayat Secretary/ Tribal Council Secretary in consultation with the concerned Senior Veterinary Officer. If more than two persons offer for the training, the selection committee will identify the most suitable person by knowing his interest in livestock keeping etc. provided that selected candidate should not have ever undergone this training conducted by the department of Animal Husbandry & Veterinary Services, A & N Islands and recommend the name and address of the selected candidate to the Director of AH & VS, Port Blair. The Director (AH & VS) shall have the right to approve or cancel the name of the candidate selected by the selection committee.

4. The training shall be for a period of one month.
5. Minimum qualification for the training course of Artificial Insemination and Castration is "Iterate" only.
6. Stipend shall be paid @ Rupees 1500/- to each candidate for the entire period of one month training. No stipend will be paid for the extended period of training in any case.
7. Good conduct and regularity in attendance and completion of training will make the trainees eligible for the stipend. If the trainee is unable to attend the training owing to illness, he/she should submit valid medical certificate in support of his/her sickness from a Govt. Medical Officer to consider his case for issue of training certificate.
8. The trainee will be eligible for certificate of training if he/she secure 80% of his/her attendance during the training period excluding absence on medical ground. Exemption may be granted up to 10 days in case of illness duly supported by medical certificate from a Govt. Medical Officer as a special case.
9. After successful completion of the training the Part Time Volunteer will be allowed to do artificial insemination and castration in his/her village or in other villages where part time volunteer is not already available.

Director (AH & VS)

DRAFT RULES REGULATING FOR PROVIDING INCENTIVES TO THE PART TIME VOLUNTEERS OF ANDAMAN AND NICOBAR ISLANDS FOR DOING ARTIFICIAL INSEMINATION AND CASTRATION WITHIN THE UT OF ANDAMAN AND NICOBAR ISLANDS.

1. Short Title and Commencement of the rules:

These rules shall be known as "The rules for providing incentives to the Part Time Volunteers of Andaman and Nicobar Islands for doing Artificial Insemination and Castration in Cow/Buffalo/Bull within the UT of Andaman and Nicobar Islands".

2. Definition:

In these rules unless the context otherwise requires.

i. "Rules mean the rules framed for this specific purpose".

ii. "Register" means a register to be maintained by indicating the owner's name, description of animals etc.

3. Incentive for doing Castration and Artificial Insemination in UT of Andaman and Nicobar Islands shall be granted by the Administration, Andaman and Nicobar Islands to the Part Time Volunteers.

4. The rate of incentives shall be as follows:

i. Incentives @ Rs. 250/- to each Part Time Volunteer for successful AI in resulting in pregnancy.

ii. Incentives @ Rs. 75/- to each part time volunteer for doing castration.

5. The Part Time Volunteers shall be allowed to do castration and Artificial Insemination after successful completion of the one month training in their respective villages.

6. The Part Time Volunteer shall also maintain a separate register duly certified by the concerned Senior Veterinary Officer for the purpose of maintaining the details of cattle owner and the details of cattle undergone for artificial insemination and castration. After performing the Artificial Insemination and Castration, the part time volunteer will report to concerned or nearest Veterinary Institution along with signature of the concerned Pradhani in his/her register for giving the particulars of the owner of the animals and descriptions of cow/buffalo/bull's duly castrated or artificially inseminated like age, colour etc.

7. The veterinary institution to which the Part Time Volunteer report shall maintain two separate registers for Artificial Insemination and Castration done by the Part Time Volunteer which will contain the date of Artificial Insemination/Castration, owner's name, detailed description of the animals etc.

8. Before making payment of incentive to the Part Time Volunteer for performing Castration/Artificial Insemination the Senior Veterinary Officer, In-charge, under whose jurisdiction the part time volunteer falls will personally verify the castration and artificial insemination and if found correct will certify in the register and send the reports and necessary documents to the Directorate of Animal Husbandry & Veterinary Services for releasing payment. Before making payment for successful castration or artificial insemination to the Part Time Volunteer and to the farmers the Senior veterinary Officer, In-charge will personally examine the cow/buffalo for pregnancy and record the details including the approximate date of calving in the register.

9. The Senior Veterinary Officer, In-charge of the institution shall make payment of incentives to the Part Time Volunteers and to the farmers in the presence of the Gram Pradhan or any member of Panchayati Raj Institution of concerned village.

DRAFT RULES FOR AWARD OF STIPEND TO THE TRAINEES BELONGING TO ANDAMAN AND NICOBAR ISLANDS FOR TRAINING IN DAIRY FARMING WITHIN THE UT OF ANDAMAN AND NICOBAR ISLANDS.

1. Short Title of the Rules:

These Rules shall be called the ‘Rules for the award of stipend to the trainees belonging to Andaman and Nicobar Islands for training in Dairy Farming within the UT of Andaman and Nicobar Islands’. These shall come into force with effect from the date of approval by the competent authority.

2. Definition:

In these Rules unless the context otherwise requires:

i. “Form” means a form prescribed for applying to undergo the training course and for grant of stipend thereon.

ii. “Rule” means the rules framed for specific purpose.

iii. “Register” means a register to be maintained by the Senior Veterinary Officer indicating the name and address of trainees their attendance etc. and a register maintained for payment of stipend.

3. Procedure for Selection of Beneficiaries:

The beneficiaries will be selected by a Selection Committee consisting of the following members:

For non-tribal farmers:

1) Pradhan of Gram Panchayat
2) Panchayat Secretary concerned
3) Senior Veterinary Officer concerned

- Chairman
- Member
- Member Secretary

For Tribal Farmers:

1) Captain of the concerned village
2) Tribal Council Secretary of the area
3) Senior Veterinary Officer concerned

- Chairman
- Member
- Member Secretary

The following procedure will be observed for the selection of suitable candidates for training in Dairy Farming/Cattle rearing:

The Pradhan of the concerned Panchayat will call for a meeting of the Gram Sabha. The Senior Veterinary Officer concerned through the Pradhan will explain to the villagers about the objective and purpose of the Dairy Farming Programme and then call for applications from those who are interested to undergo the training course. Application shall be made on a plain paper/prescribed form along with certified copy of School leaving certificate obtained from the Head of the Institution where he/she last attended and shall be addressed to the Pradhan of concerned Gram Panchayat. The applications will be scrutinized by the Panchayat Secretary/Tribal council secretary of the area in consultation with concerned Senior Veterinary Officer. If more than two persons offer for the training, the selection committee will identify the most suitable person by knowing his interest in Dairy Farming provided that selected candidate should not have ever undergone this training conducted by the department of the Animal Husbandry & Veterinary Services, A & N Islands and recommend the name and address of the selected candidate to the Director of AH & VS, Port Blair. The Director (AH&VS) shall have the right to approve or cancel the name of the candidate selected by the selection committee.
3. Training on Dairy farming to the selected candidates will be imparted by the Senior Veterinary Officer of concerned farm/institution. Details of the training will be maintained in a register by the Senior Veterinary Officer indicating the details such as name of the candidate, father's name, residence, attendance of the candidates etc.

4. Stipend shall be granted to the eligible selected trainees under regulations sponsored by the Animal Husbandry and Veterinary Services department, A&N Islands, Port Blair for Dairy farming training at Cattle farm Dollygunj or Composite Livestock Farm/Veterinary Institutions in South Andaman, Middle & North Andaman (Composite Livestock Farm), Car Nicobar and Campbell Bay.

5. Minimum qualification for admission to the course of Dairy farming/cattle rearing is 5th standard passed (relaxation is permissible in the case Schedule Tribe candidates) and in other deserving cases.

6. Duration of training period shall be one month. After completion of the training, an examination will be conducted by the Veterinary Assistant Surgeon. In case any trainee fails in the exam, training period will be extended to another 15 days more to qualify/pass the examination.

7. The rate of stipend shall be consolidated amount of Rs. 1000/- per trainee for the entire period of training i.e. one month. No stipend will be paid for the extended period of training in any case.

8. Good conduct and regularity in attendance and pass in examination conducted on completion of the training period will make trainees eligible for receipt of the stipend and certificate. If trainee is unable to attend the training course owing to illness he/she may submit a medical certificate from the Govt. Medical Officer.

9. The stipend shall be paid to trainees after completion of training and passing of the exam.

10. Trainees will be eligible for certificate of training if they secure 80% of their attendance in their training course and pass the examination. Exemption may be granted in the case of illness duly supported by a medical certificate from Govt. Medical Officer.

Director (AH & VS)
DRAFT RULES FOR AWARD OF STIPEND TO THE TRAINEES BELONGING TO ANDAMAN AND NICOBAR ISLANDS FOR TRAINING IN POULTRY HUSBANDRY WITHIN THE UT OF ANDAMAN AND NICOBAR ISLANDS.

1. Short Title of the Rules:

These Rules shall be called "The Rules for award of stipend to the trainees belonging to Andaman and Nicobar Islands for training in Poultry Husbandry within the UT of Andaman and Nicobar Islands". This will come into force with effect from the date of its approval given by the competent authority.

2. Definition:

In that Rules unless the context otherwise requires:

i. "Form" means a form prescribed for applying to undergo the training course and for grant of stipend thereon.

ii. "Rule" means the rules framed for this specific purpose.

iii. "Register" means a register to be maintained by induding the name and address of trainees and a register maintained for payment of stipend.

The beneficiaries will be selected by a Selection Committee consisting of the following members:

(a) For Non-Tribal Farmers
   1) Pradhan Gram Panchayat
   2) Panchayat Secretary concerned
   3) Senior Veterinary Officer concerned

(b) For Tribal Farmers
   1) Captain of concerned village
   2) Tribal Council Secretary of the area
   3) Senior Veterinary Officer concerned

The following procedure will be observed for the selection of suitable candidates for training in Poultry Husbandry.

(i) The Pradhan of the concerned Panchayat/ Captain of the Tribal Council will call for a meeting of the Gram Sabha/Tribal council. The Senior Veterinary Officer concerned through the Pradhan/Captain will explain to the villagers about the objective and purpose of the Poultry keeping Programme and then call for applications from those who are interested to undergo the training course. Application shall be made on a plain paper/prescribed form along with certified copy of School leaving certificate obtained from the Head of the Institution where he/she last attended and shall be addressed to the Pradhan of concerned Gram Panchayat/Captain of the concerned village. The applications will be scrutinized by the Panchayat Secretary/ Tribal Council Secretary of the area in consultation with concerned Senior Veterinary Officer. If more than two persons offer for the training, the selection committee will identify the most suitable person by knowing his interest in poultry farming etc. provided that selected candidate should not have ever undergone this training conducted by the department of the Animal Husbandry & Veterinary Services, A & N Islands and recommend the name and address of the selected candidate to the Director of AH & VS, Port Blair. The Director (AH&VS) shall have the right to approve or cancel the name of the candidate selected by the selection committee.
(iii) Training on poultry husbandry to the selected candidates shall be imparted by the Senior Veterinary Officer concerned of the farm/institution. Details of the training such as name of the candidate, father’s name, residence, attendance of the candidates etc. will be maintained in a register by the Senior Veterinary Officer.

(iii) Minimum qualification for admission to the course of poultry training is 5th standard passed (relaxation is permissible in the case Schedule Tribe candidates) and in other deserving cases.

(iv) Duration of training period shall be one month. After completion of the training, an examination will be conducted by the tutor. In case any trainee fails in the exam, training period will be extended to another 15 days more to qualify/pass the examination. No stipend will be paid for the extended period of training in any case.

(v) Stipend shall be granted to the eligible selected trainees under regulations sponsored by the Animal Husbandry and Veterinary Services department, A&N Islands, Port Blair for poultry training at Livestock Farm Complex, Dollygunj and Composite Livestock Farms, Little Andaman at South Andaman and Composite Livestock Farms at Basantpur, Sitagar at Middle and North Andaman and Composite Livestock Farms at Car Nicobar, Kamorta and Campbell Bay in Nicobar groups of islands.

(vi) The rate of stipend shall be Rupees 1000/- per trainee for the entire period of training i.e. one month.

(vii) Good conduct and regularity in attendance and pass marks in examination conducted on completion of the training period will make trainees eligible for receipt of the stipend and certificate. If trainee is unable to attend the training course owing to illness the candidate may produce a medical certificate from the Govt. Medical Officer.

(viii) Trainees will be eligible for certificate of training if they secure 80% of their attendance in their training course and pass the examination. Exemption may be granted in the case of illness duly supported by a medical certificate from Govt. Medical Officer.

(ix) Stipend shall be paid to trainees after completion of training and passing of the exam.
